

Galvanized Steel Straight Guard Rail 48 In. Length Gray

MODEL GR-H2R-BO-4-HDG

Protective Barriers / Highway Guard Rail Systems

PRODUCT OVERVIEW

Protect personnel and equipment both visually and physically with this guard rail system. This economical system can be utilized indoors or outdoors. Ideal for protecting corners of buildings and machinery from fork truck and vehicle damage. Choose between one, two, or three high rail systems. Additional posts are available and sold separately. If adding a rail to an existing rail and post section, only a single post is needed.

KEY FEATURES

- Guard rail design protects equipment visually and physically
- Economical system can be utilized indoors or outdoors
- Heavy-duty design protects corners of buildings and machinery from fork truck and vehicle damage
- Steel offers strong reliable protection
